An absolute RARE find - Don't miss this unique opportunity to purchase these pre-owned KNOLL workstations at an exceptional deal. Only four years old, they have been hardly used due to the pandemic and are still very much in excellent condition. Each of these 6' x 6' stations has a 30" x 72" white laminate table top and a 15" x 48" storage credenza as a return. Electrical divider panels feature a cool grey fabric with metal frames, and are 49" H with an additional 7" clear glass top. Elegant, streamlined and modern, these KNOLL workstations are sold in clusters for \$795 per station (delivery & installation not included) and will go extremely fast. Over 150 stations available. Please contact us for more info, photos and updated availability.
